THE SUMMER OF DEVELOPMENT

At the Wenatchee Valley YMCA we have believed for over 110 years that character counts, that character development starts at an early age and continues throughout our lives, and that the development of character begins with teaching Christian values. The values we emphasize are those shared by people from many cultures, faiths, and belief systems. They are the values of caring, honesty, respect and responsibility. We believe that Lake Wenatchee YMCA Camp offers unique opportunities for the development of character in youth. Since 1927, our 26 acre camp has made its home on the north shore of beautiful Lake Wenatchee, just off Highway 2 in North Central Washington State. We are 21 miles west of Leavenworth and 25 miles east of Stevens Pass. We currently serve over 1,500 youth, teens, adults and families each year with seasonal camping operations May-September.

Financial Assistance

No child is ever denied participation at the Wenatchee Valley YMCA because of an inability to pay.

We understand that summers are a continuum of successful youth development, therefore we want to ensure children have access to our summer camps like Lake Wenatchee YMCA Resident Camp! If you are unable to pay the full cost of the program fee we have summer scholarships designed to help!

- 1) Register for your week(s) of camp in advance to secure your spot.
- 2) You will then fill out and submit the scholarship application. Hard copies are available at Membership Services or online at wenymca.org.
- 3) A 30% scholarship will be awarded. If you need additional financial assistance, please indicate that on your scholarship application. You will be asked to submit additional information based on [Washington's Subsidy Guidelines](#) for additional support.

THE SUMMER OF CONNECTION

PARTICIPATION AND INCLUSION

Rules for acceptance and participation are the same for everyone regardless of age, gender identity, sexual orientation, race, religious affiliation, immigration status, ability or national origin. We believe that all kids deserve a camp experience, and will make every reasonable effort to meet the individual needs of all our campers. If you have questions about whether Lake Wenatchee YMCA Camp is the right fit for your child due to unique behavior needs, or any other special need, please contact us at [509.763.9622](tel:509.763.9622).

LAKE WENATCHEE YMCA CAMP STAFF

Well-trained, enthusiastic staff is the key to a positive camping experience for your child. Camp staff are dedicated to providing a safe and wholesome environment for each camper. Camp counselors are chosen for their maturity, strong values, enthusiasm and ability to be positive role models for children. All staff undergo an extensive training prior to the camp season. We emphasize safety, child growth and development, group dynamics and much more. Criminal history and reference checks are completed on all staff and volunteers. The entire staff is certified in First Aid/CPR/AED. Certified lifeguards supervise all aquatic activities. Our Camp Nurse resides at camp and is available 24 hours a day.
